OUR FOREIGN LETTERS, from Jules Lehevaller and Hugh Doherty, are crowded out this

For Europe.

The next number of The Tribune for European circulation will be issued to morrow morning at 9 o'clock. It will contain all the latest news received up to the time of going to press. The Caledonia sails from Boston on Wednesday.

Mr. CLAY reached Utics on his homeward route on Saturday, and remained over the Sabbath. If he can only be induced to stop at Syracuse through the State Fair, he will profoundly gratify thousands who cannot hope ever to see him if not on this occasion. If his health but per mits, we trust he will be at the Pair.

P. S. He stops at Utica over to-day, and will attend the Pair.

Maiss holds her Annual Election to-day A Governor, Senate, House, and some County officers are to be chosen. The Whige do not try to carry the Governor or Senate, owing to the ' Free Boil' distraction, but they will make about half fight for the House, and are very likely to increase their strength in that body. They can hardly be required to astonish everybody by electing a ma-

A Judge of the Court of Appeals is to be chosen in November by the whole People of our State and eight Judges of the Supreme Court in as many Districts. Now is the time to invite public attention to some considerations which, one month hence, cannot be urged without auspicions of invidious personal bearing.

capable, energetic men be chosen to these places. while it matters not a button whether their polit ical associations are with the Whig or the socalled Democratic party. Conscientious, able, in dicial Reform which our State has undertaken to offect, and will zealously sustain and promote it. should be everywhere chosen, no matter what party label they may happen to bear. If the New Code and its adjuncts can be honestly and erty our State in the expense and dispatch of Judicicial proceedings cannot fall short of Half a Million Dollars per annum, while a large number of capable and promising youth may be released from the dry drudgery of offices and law-books, and remitted to the plow and the workbench, where the labors will be of immeasurably greater value to the community. But to perfect this great Reform plain and simple Code of Practice but the right lade and connive with subtle, pelf-seeking lawvers to circumvent the Code and segravate costs; they will shirk their official duties, suffer terms to enhanced, taxes increased, witnesses and lurors. needlessly burdened, and justice delayed, until suitors are driven to despair of ever obtaining and the Code for avils attributable solely to un inithful Judges and unprincipled Attorneys.

We have now four Appeal, thirty-two Sc preme and three Superior Court Judges in our &c. It is a very strong Judicial force, well placed and well paid. It is enough for the prompt and faithful discharge of the important duties devolve apon our Judiciary. If unreasonable delay is experienced, it is because the Judicial force of the State is not well apportioned by the Executive or because the People do not choose the right men for Judges. Let us take care that our duty as voters is discharged with exemplary fidelity, and all

Judicial Nominations -Fifth District Hunker-Robert Lansing, (now Judge of Jefferson.) Burnburner-Josian Moore, Jr. (Dist. Att'y, do.)

VERMONT .- Returns from seven-eighths of the State show a gain of a Whig Senator in Orleans Co. making 21 Whige to 8 of all other kinds so far, and I to come in from in Essex, which was last year Whig. Of Representatives, the Boston Atlas compiles

returns from 207 towns, choosing 113 Whigs, 29 regular Locos and 50 . Free Soil. No choice in 1 towns. The Whigs stand 34 ahead to these towns instead of 9 behind last year. Net gain, forty two

KENTUCKY .- The new House of Representstives stands 57 Whig, 42 Loco and 1 (probably Loco) to come in. The Senate is strongly Whig. making the Whig majority in Joint Ballot about 30. We don't apprehend that any instructions to Measrs. Clay and Underwood to side with Calboun on the question of Extending Slavery can

be got through the Senate. The Convention stands 47 Whig. 52 Loco, 1 (Casey Co ) reported a tie. Slavery was afraid to trust itself in the hands of a Whig majority.

Onto Finance.-The Clerk hire of the last three Sessions of the Ohio Legislature cost the People as follows :

1847....\$3,027. 1848...\$2,815. 1849....\$5,926. For Stationery, including lights, the State paid In 1847-8.... \$619. In 1848 9....\$1,554.

It strikes us bere is room for inquiry. HENRY O'REILLY. - This indefatigable telegraph er is in town, and may be found at the office 29 Wall We understand that he is engaged to making ar rangements for the immediate opening of the section of the New-England line between this City and Soston

to be worked under the patents of Alexander Bain -The experimental working of this line gives entire satisfaction to those interested in its construction. We perceive by the Albany papers that Mr. O'Rielly has nearly finished a fine of telegraphic communication to that city, on the west side of the Hudson, and that

to that city, on the west side of the Hudson, and that his office will be opened in Albany in a courle of weeks, for the transaction of business there. Bolieving in the advantages of free competition in trade, we heartly wish Mr. O'Reilly every possible success. We have heard from Cooperstown that the infunction that use to be prayed for by Messrs. Smith Morse, Kendall & Co. against Mr. O'Rielly's Lake Eric Line, from Buffalo to Detroit, was again put off to some more convenient opportunity. 5,000 miles in three years, the spider's web injunctions inclusive, are a pretty fair commencement for one man.

Mr. Clay at Kinderhook.

KINDERHOOK, N. Y. Sept. 7, 149. Yesterday Hon. Hasny Chey, now on a visit to ex-President Van Buren, was received with great enthusiasm by our citizens at Wilder's Hotel -Long previous to the boar appointed, many hundreds were assembled, eager to be ald him whom so many love to honor. Upon his arrival, he was introduced by Thos. Beekman, Esq. when Mr. Mr. the took leave, and proceeded in A

eeble. He leaves for home via Albany to day. From Bermuda and the West-Indies. Weather and the Legislature at Bermula . Invalors ion from Mateira . Jameica and Bahana News &

Sowery Treaters.—The last week ended as it begins in the bear and the crocodile as you pass up stairs to exercise your risibles.

Bowery Treaters.—The last week ended as it begins it the establishment, with its overflow. Every seat in the boster and pit appeared to be fail, and, if we may ladge by the hearty appeared to be fail, and, if we may ladge from beginning to end, the imments undersom assembled were delighted with the embersaments. To right the fine play of the 'King of the Commons,' is to be performed for the fail time, and that it with he admirably played there is not a dount, when we find the immens of such at that as Mr. and Mr. Wallack, Miss Kale Wentyan Mr. Gibert, Mr. McFarland, Mr. Wi ans, and others included in the cast. The fine Trapelles and Playe how nightly produced at the Bowery should be seen by all who would foster the true and legitimate Drama and upfood the high events death of the included of the seldom we have now an opportunity of witnessing the united efforts of o talented a Commony, or well applied. The fine natifical Drama of 'The Multiny as the source of the first market by Mr. Stevetis, Mr. McFarland, Mr. Wenyas and Mrs. Revent. During the present truck to the Bowery, gentlemen who have loved in the Sourcey, gentlemen who have allowed as about ever their seats during the lay, to avoid disappointment.

GENTLEMEN'S HATS.
